**ISCS 2020**

The 47<sup>th</sup> International  
Symposium on Compound  
Semiconductors

**IPRM 2020**

The 32<sup>nd</sup> International Conference  
on Indium Phosphide and Related  
Materials

**The Compound Semiconductor Week (CSW) is the premier forum for science, technology and applications of compound semiconductors.**

Compound Semiconductor Week (CSW) 2020 will be held at [The Brewery](#) with waterfront location in central Stockholm, Sweden, May 17–21, 2020. CSW 2020 follows a series of successful meetings last held in Berlin, Germany (2017), Boston, USA (2018) and Nara, Japan (2019), each attracting about 450 participants. As in previous years, CSW join its predecessors in a single event: CSW 2020 is the joint venue for the 47<sup>th</sup> International Symposium on Compound Semiconductors (ISCS) and the 32<sup>nd</sup> International Conference on Indium Phosphide and Related Materials (IPRM).

The conference will include four high-profile keynote presentations, four thematic courses, four parallel sessions over four days with invited and contributed presentations, two major poster sessions, an industrial exhibition, a special women-in-STEM session with panel discussion, banquet dinner at the Vasa museum and an excursion with a boat trip on the lake Mälaren that arrives for a reception buffet at the Stockholm City Hall, the famous venue for the Nobel Prize Dinner. The exhibition is conveniently located in close proximity to, and running concurrently with, the technical sessions of the conference. The beautiful premises of The Brewery will provide excellent opportunities to meet and interact with experts, professionals and potential customers in the various fields of compound semiconductor materials, devices and applications.

## Conference Topics

- Epitaxy and Semiconductor Processing
- High-frequency devices
- Power Electronics
- Photonic devices and related technologies
- Nanostructures, Novel Materials and Characterization
- Novel Device Concepts, Physics, Spintronics, Ferroelectrics, etc.
- Wide-bandgap materials
- Nanocarbon and 2D Materials
- Organic Semiconductors and Flexible Electronics

## CSW'2020 Exhibition

Present your organization and products during the conference days using a table for your advertising material, and benefit from the opportunity of face-to-face contacts with the attendees.

*Exhibitor fee: 15000 SEK (Including registration fee, reception buffet in the Stockholm city hall, excursion (one-hour boat trip on Mälaren, and banquet dinner for one person. Accompanying persons pay 4500 SEK).*

Further benefits:

- Your logo and link on the conference website
- Your logo on the final program
- One full-time registration

(Detailed information below)

1. Welcome reception
2. Poster sessions
3. Conference banquet
4. Conference excursion
5. Coffee and lunch-breaks
6. Delegate bags
7. Student sponsoring
8. Customized sponsorship

### 1. CSW'2020 Sponsoring opportunity of the welcome reception:

- Contribution: 15.000 SEK
- Company name and corporate logo displayed during the event
- Exclusive sponsorship opportunity for one sponsor
- Half-page color advertisement in the conference program
- Acknowledgement as sponsor on the CSW'20 website with logo and link

**Booked!**

## Monday 18 May - Tuesday 19 May, 2020

### Poster sessions

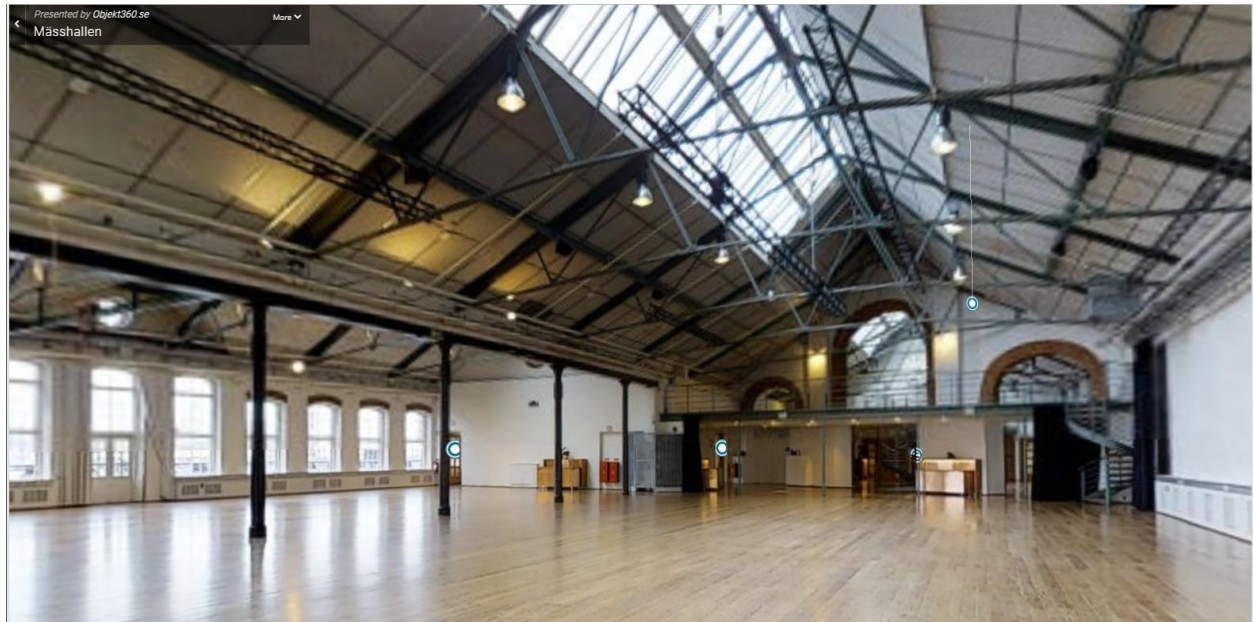

### 2. CSW'2020 Sponsoring opportunity of the poster sessions:

- Contribution: 5.000 SEK each
- Company name and corporate logo displayed during the event
- Half-page color advertisement in the conference program
- Acknowledgement as sponsor on the CSW'2020 website with logo and link

# Monday 18 May - Thursday 21 May, 2020

## Exhibition in Mässhallen at The Brewery

### CSW'2020 Exhibition

Present your organization and products during the conference days using a table for your advertising material, and benefit from the opportunity of face-to-face contacts with the attendees.

**Exhibitor fee:** 15 000 SEK (incl. one table 180x80 cm<sup>2</sup>)  
**Accompanying persons fee:** 4 500 SEK

*Including registration fee, conference reception at The Brewery, banquet dinner for one person at Vasa Museum, excursion - one-hour boat trip on Mälaren, and reception buffet in the Stockholm city hall.*

# Tuesday 19 May, 2020

## Conference Banquet at the Vasa Museum

### 3. CSW'2020 Sponsoring opportunity of the conference banquet at the Vasa Museum:

- Contribution: 30.000 SEK
- Company name and corporate logo exclusively displayed during the event
- Full-page color advertisement in the conference program
- One complementary conference registration, incl. Banquet dinner, excursion, and reception buffet at the Stockholm City Hall
- Acknowledgement as sponsor on the CSW'2020 website with logo and link

# Wednesday 20 May, 2020

## Excursion – Boat trip on Mälaren, Before Reception at the Stockholm City Hall

#### 4. CSW'2020 Sponsoring opportunity for the conference excursion:

- Contribution: 20.000 SEK
- Company name and corporate logo exclusively displayed during the event at the reception
- Exclusive sponsorship opportunity for one sponsor
- Full-page color advertisement in the conference program
- One complementary conference registration, incl. Banquet dinner, excursion, and reception buffet at the Stockholm City Hall
- Acknowledgement as sponsor on the CSW'2020 website with logo and link

## 5. Coffee and lunch break sponsoring:

- Contribution: 5.000 SEK each
- Company name and corporate logo exclusively displayed during the event
- Half-page color advertisement in the conference program
- Acknowledgement as sponsor on the CSW'2020 website with logo and link

## 6. Delegate bags:

- Contribution: 10.000 SEK
- Company name and/or corporate logo displayed on each bag distributed to all participants during the conference
- Exclusive sponsorship opportunity for the sponsor
- Each bag to display the conference logo and dates in addition to the corporate information
- Half-page color advertisement in the conference program
- Acknowledgement as sponsor on the CSW'2020 website with logo and link

## 7. Student sponsoring:

- Contribution: 10.000 SEK each
- Students will have the option to apply for travel support when they submit their abstract and will be selected by the CSW'2020 program committee. Selected student will receive 7500 SEK to cover travel and registration fees
- The company's contribution will be acknowledged with logo and link on the CSW'2020 website and in a personal note to the student
