The contact information of the corresponding author should follow the list of authors. The abstract title should be in bold 14-pt Times New Roman font. The short abstract should be in bold 9-pt Times New Roman font. The main text should be in 10-pt Times New Roman font. To typeset equations, use Equation (Word 2007 or later) or MathType.

$$f(x) = a_0 + \sum_{n=1}^{\infty} \left( a_n \cos \frac{n\pi x}{L} + b_n \sin \frac{n\pi x}{L} \right)$$

References should be inserted at the bottom of the first page, e.g. according to the style indicated below. No heading is required for this section. In the text, the references should be quoted using square brackets, [1].
